

DENNIS' MOMENT MATING ANALYSIS

Dennis' Moment carries only one strain of Mr. Prospector and Tiznow and his sons have found success with many branches of the Mr. Prospector line. The most interesting of which is Fappiano. Tiznow and his sons have graded winners out of Candy Ride, Rubiano, Pentelicus (who is a three-quarters relation to Unbridled) and Unbridled's Song mares. Unbridled's Song is particularly noteworthy as Tiznow's broodmare sire, Seattle Song, and Unbridled's Song hail from the same family (4-m). Paring Dennis' Moment with an Unbridled's Song mare would produce a 5x5 cross of the mare Incantation. We've seen no fewer than 10 graded winners carrying this duplication; the most notable of which is Breeders' Cup Mile Champion Tourist (by Tiznow). Mares by First Defence, Political Force and Ghaaleb would carry the most appeal for the Tiznow line (from the Unbridled's Song line) but all should be considered. Empire Maker and his sons and grandsons could be enticing as well. In addition to the Fappiano line, mares carrying a strain of Grand Slam and Chester House are of interest. Tiznow and his sons have produced no fewer than 6 graded winners from mares carrying a strain of El Gran Senor who is the broodmare sire of Grand Slam, Chester House, Empire Maker and Indygo Shiner (by AP Indy). In fact, the Tiznow line has produced 3 graded winners out of Grand Slam mares and another by Chester House. Mares by The Lumber Guy (by Grand Slam) would be of enormous interest as he's also out of an Unbridled's Song mare. Limehouse too should be considered. Chester House can be found via Divine Park.\

The Tiznow line has enjoyed success with the Storm Cat line. Mares by Wildcat Heir should be given serious consideration. Additionally, the line has produced multiple stakes winners from mares by Forestry, Stormy Atlantic and Hennessy.

The Tiznow line as no fewer than a dozen graded winners crossed over the AP Indy line. The line has multiple stakes winners out of Malibu Moon, Mineshaft and Pulpit mares. Indygo Shiner is of particular interest as noted above. Additionally, mares by Cupid are of enormous appeal as sons of Tiznow have two graded winners carrying a strain of Beau Genius (broodmare sire of Cupid) from a small sample size.
